## HEALTH AND SAFETY POLICY STATEMENT

### SECTION A – GENERAL STATEMENT OF POLICY

Our policy at this Club is to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees and to provide such information, training and supervision as they need for the purpose. We also accept our responsibilities for the health and safety of other people who may be affected by our activities. This will be achieved through the identification of potential hazards, their assessment and control.

The allocation of duties for safety matters and the particular arrangements that we will make to implement the policy are set out below.

The policy will be kept up to date, particularly when the Club's facilities and activities may change. The policy and the way in which it is operated will be reviewed each year.

Signed M. Dyso Club Commodore

[Signature] Club Secretary
